CHROMATIST

同色专家

当代室内设计中，色彩是最为生动、最为活跃的因素，处于举足轻重的地位，几乎可被称作空间的“灵魂”。菲戈贝尔非常注重色彩在卫浴空间的运用，率先推出台盆与柜体同色系列产品，使空间的整体更加和谐统一。菲戈贝尔的同色系列产品是行业最早推出、工艺最成熟、颜色最为丰富。

In contemporary interior design, color is the most vivid and active factor, which is in a pivotal position and can almost be called the "soul" of space. Figaber attaches great importance to the use of color in the bathroom space, and takes the lead in launching a series of products with the same color of the basin and the cabinet body, making the overall space more harmonious and unified. Figaber's same color series products are the earliest in the industry, the most mature process, the most rich color.
